Submitted to His Highness.

O. During the October Session of the Representative Assembly, Messrs. G, Mallanna, Venkatappa and Siddalinga Setty moved a resolution recommending that arrangements be made to allow the agents of candidates to be near the Polling Officers during elections to the Representative Assembly and the Legislative Council.

In the course of discussion thereon, it was urged that most of the voters being illiterate, it was not generally possible for them to identify the names of the candidates in whose favour they could record their votes, and that therefore it was necessary, as in the case of the District Board elections to assign an identification symbol to each candidate standing for election to the Representative Assembly, and the Legislative Council, so that the illiterate voters may record their votes accurately.

It is proposed to accept the suggestion and accordingly amend the rules regulating the conduct of elections to the Representative Assembly and the Legislative Council, to give effect to it.

A draft Government Order and the necessary notifications are submitted. I solicit the gracious approval of His Highness to them.

27. This Assembly recommends to the Government of His Highness the Maharaja that in view of the fact that new and large industries are increasing and that labour conditions are in a rather unsettled state, a Labour Commissioner be appointed to look after the interest of both the Employers and the Employed, as has been done in Bombay and Madras and that no Labour Union be registered in the State unless the Government is satisfied that such Union is being organised and worked by persons really conversant with the actual conditions of labour and the industry which the Labour Union represents and solely intended for promoting the welfare of labour and thus prevent bogus champions and irresponsible persons, who without any knowledge of the actual conditions are likely to lead the ignorant workmen astray which may occasion loss and disaster to all parties concerned.

MOVER :—**Mr. Appiah, Labour Interests.**

28. This Assembly recommends to the Government of His Highness the Maharaja the desirability of having in the State a Factory for the manufacture of tacks, nails, hinges, woodscrews, bolt and nuts, etc., either as a branch of the Government Industrial Work Shop or as a branch of the Bhadravati Iron Works as it is sure to be a self-supporting concern considering the cheap raw material available in the State and the everlasting demand for these articles both in the State and outside. In view of the fact that no one has started this Industry in India yet and that these articles are required in each and every house-hold and lakhs of rupees worth of these articles are being imported into India every year, the Government may be pleased to give this matter very early consideration.

MOVER :—**Mr. Appiah, Labour Interests.**

29. This Assembly recommends to the Government of His Highness the Maharaja that the age limit for boys working as half-timers in factories, be reduced from 14 to 13 years in view of the poor wages earned by the parents not being sufficient to make both ends meet.

MOVER :—**Mr. Appiah, Labour Interests.**

30. This Assembly urges on the Government of His Highness the Maharaja the necessity of appointing a responsible officer to investigate into and suggest means to remedy the inefficiency and corruption rampant in the Clerical Staff of lower Revenue Offices, Sub-Registrar's Offices and in the Offices of the Lower Subordinate Civil Courts.

MOVER :—**Mr. Appiah, Labour Interests.**

31. This Assembly recommends to the Government of His Highness the Maharaja to arrange with the M. & S. M. Railway authorities for the fencing of the permanent way between the City Railway Station and Malleswaram Station to avoid accidents to men and cattle as there were four accidents to human beings and four to animals during the past two years.

MOVER :—**Mr. Appiah, Labour Interests.**

32. That this Assembly recommends to the Government of His Highness the Maharaja the sanction as early as practicable of the extension of the Mysore-Chamarajanagar Railway to the Mysore Frontier and to urge on the Government of India the early extension of the line to Satyamangalam in view of the guarantee promissed by the Coimbatore District Board.
